ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

Munich the capital of Bavaria, is an interesting City, and contains many both modern and ancient buildings. The Frauen Kirche shown in the picture is the Cathedral Church of Munich, built 1468—88 and restored in 1858. The interior contains a number of paintings, beautiful carvings and fine monuments. The towers are about 320 feet high and are notable landmarks for many miles round the city.
